

FRANKIA MOTORHOMES 2019

AN EXPERIENCE  
LIKE NO OTHER

**FRANKIA**

COACHBUILT | A-CLASS | LOW-PROFILE

Every FRANKIA motorhome that leaves our plant in Marktschorgast in the heart of Upper Franconia, Germany, is something special. Our dedicated and highly skilled employees in design, production and quality assurance put their hearts into every model. "Made in Germany" has been our quality standard for over 55 years. Get ready for an experience like no other – for example, with the FRANKIA I 840 PLUS TITAN.

# EXPERIENCE THE WORLD, EXPERIENCE FRANKIA

Ice fishing in Sweden, eating fougasse flat bread in the Provence, climbing summits in the Alps, putting your feet up in the Algarve. Your experiences at your destinations are just as unique as the journey there and back in your FRANKIA motorhome. Get ready to travel your way – get ready to experience FRANKIA!

# EVERY FRANKIA IS SOMETHING SPECIAL

» We are proud of every FRANKIA motorhome that we produce in Upper Franconia. Each and every vehicle that leaves our site is something special – from its design and development to our in-house production. A FRANKIA motorhome stands for attention to detail, inventive ideas and practical solutions that make your holiday travels an even more comfortable experience. We have many highlights and new features in store for you in model year 2019 – the one-of-a-kind 5 t Low-Profile on the new Mercedes-Benz chassis, an exclusive, nearly nine-metre-long “giant” A-Class on a Fiat AL-KO, clever solutions for additional seating and much more ...  
Get ready for an experience like no other.  
Get ready to experience FRANKIA!

**Your FRANKIA Team**

» We have been setting industry standards for over 55 years by perfectly combining lifestyle, innovation and excellent quality. **To this day our vehicles are still made in Germany.** Our dedicated and highly skilled employees in design, production and quality assurance put their hearts into every FRANKIA motorhome.

**Patrick Schaefer**  
Managing Director

» We are particularly proud of our **new vehicles for 2019**. One highlight is the 5 t Low-Profile on the brand new Mercedes-Benz chassis – a model that you can only get from FRANKIA. 2.03 m of headroom throughout, panoramic roof standard, newly developed B column and a modern living space design are just a few features that make travelling even more enjoyable.

**Günther Bisani**  
Production Manager

**Our team works with passion and skill on every FRANKIA motorhome.**

» We work very closely with our dealers and listen carefully to our customers so that we always know the **wishes and needs** of motorhome owners. Then we develop **the right solutions** to ensure that you can enjoy the highest degree of self-sufficiency, even more storage space and superior living comfort.

**Konstantin Döhler**  
Director Sales and Marketing

» At FRANKIA, enjoying an experience like no other also means you can rely on **excellent service** when you need it. Our in-house Service Centre is here to help you with repairs or spare parts installation. Simply contact your dealer if you would like to make an appointment. Your dealer will get in touch with us and take care of everything else for you.

**Stefan Ermisch**  
Customer Service Manager

# YOU'VE GOT IT ALL RIGHT HERE

Your holiday already begins at home ... making plans, creating routes, getting excited about your trip. Packing everything that's important to you is part of the fun. That's why FRANKIA doesn't offer just one standard solution: You decide how much storage space you need. And you pick the FRANKIA rear storage compartment that suits you most.

A man wearing a white helmet and sunglasses is loading a blue mountain bike into the open rear storage compartment of a white FRANKIA motorhome. The compartment is located at the rear of the vehicle, with a large sliding door open. The motorhome is parked on a grassy area with trees in the background. The image is taken from a side-on perspective, focusing on the rear of the vehicle and the man loading the bike.

### 3 FRANKIA REAR STORAGE COMPARTMENTS TO CHOOSE FROM

### MORE ROOM FOR YOU INSIDE: FRANKIA REAR STORAGE COMPARTMENTS

#### E-BIKES OR MOTORCYCLE

Two e-bikes fit inside even the “smallest” rear storage compartment

#### UP TO 1.24 METRE INTERIOR HEIGHT

#### NEW: MORE FREEDOM OF MOVEMENT

The rear flap now opens 20 degrees more

# IT JUST KEEPS GETTING BETTER

FRANKIA has been synonymous with the double floor – for over 20 years. Whether Fiat with the AL-KO low-frame or the elevated frame in the Mercedes-Benz chassis: Our designers use all their experience and skills to make the FRANKIA double floor even better, year after year. For more storage space, greater stability and enhanced comfort.

## AT HOME ANYWHERE

Home is where you feel completely at ease. We let you decide how to make your FRANKIA your favourite place. Modern Scandinavian, cosy or classic elegance: Choose from six furnishing concepts. Or decorate your living space your own way – exactly how you want to have your “home on the road”. No matter what you decide, you can always count on FRANKIA for premium quality and superior workmanship.

Wood: Oak/White

# UNPARALLELED ELEGANCE WITH HAEMATITE

If you prefer an exquisite, classic look, you'll feel right at home with FRANKIA's haematite design concept. Bright ornaments create exciting contrasts.

# HARMONIOUS GRANITE

Select FRANKIA granite if you like gentle, natural shades. We combine various fabric structures in an exciting way to create a very attractive living space.

Wood: Oak/White

# JOIE DE VIVRE IN CARNELIAN

Light-coloured fabrics combine with striking red accents to create Mediterranean flair in your FRANKIA motorhome.

Wood: Oak/White

# NATURAL REFinement WITH PYRITE

FRANKIA's pyrite design concept is tasteful and timeless.

The dark fabric blends perfectly with light accents and patterns.

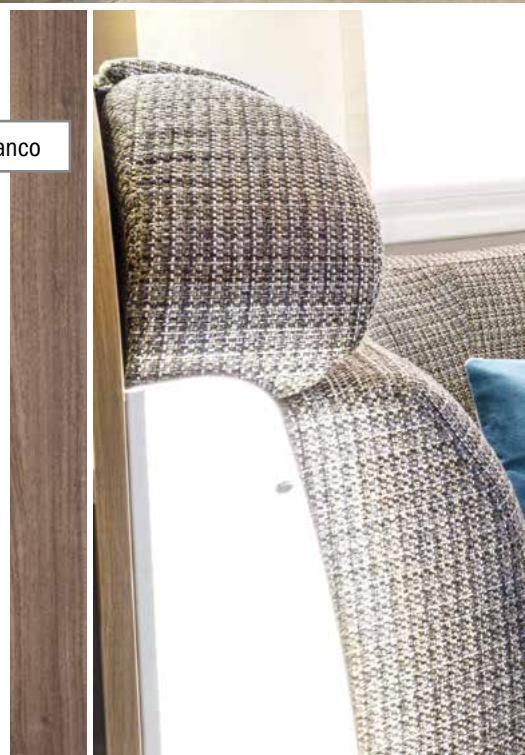

Wood: Noce/Bianco

# TREND-SETTING AQUAMARINE

Wood: Noce/Bianco

Classic blues are in style and provide a clean and fresh look. The interplay between shades of grey and brown combined with different surfaces results in a lively mix.

## PURE RELAXATION IN NOBLE MARBLE

Nothing is more harmonious and relaxed than a living room in warm cream tones. Different fabric designs make FRANKIA's fine marble design option a very unique choice.
